DELTA SIGMA THETA SORORITY, INCORPORATED

*A Public Service Sorority*

# *History*

Delta Sigma Theta Sorority was chartered on January 13, 1913 at Howard University in Washington, D.C. by twenty-two young women. They pictured a collective of college women dedicated to serious pursuits and community involvement.

Those youthful students, barely out of their adolescent years, demonstrated a vital concern for social welfare, academic excellence and cultural enrichment, de-emphasizing the social frivolities of sorority life. Their ideas of scholarship and service have withstood the test of time, and today, Delta Sigma Theta is dedicated to a program of providing an extensive array of public service through its Five Point Programmatic Thrust:

- Economic Development**
- Educational Development**
- International Awareness and Involvement**
- Physical and Mental Health**
- Political Awareness and Involvement**

Since its founding more than 350,000 women have joined the organization. The organization is a sisterhood of predominantly Black, college educated women. The sorority currently has over 1,000 collegiate and alumnae chapters located in the United States, Canada, Japan (Tokyo and Okinawa), Germany, the Virgin Islands, Bermuda, the Bahamas, Jamaica, West Africa, Southern Africa, United Arab Emirates, and the Republic of Korea.

# *From the Chapter President*

Good evening!

On behalf of the Fort Worth Alumnae Chapter of Delta Sigma Theta Sorority, Inc., it is my honor to welcome you to the 47th annual Jabberwock program. This longstanding tradition celebrates the growth and maturity of our youth, and we are thrilled to showcase their achievements once again.

# Jabberwock History

The word Jabberwock, copyrighted by Delta Sigma Theta Sorority, Inc., was taken from Lewis Carroll's tale, Alice's Adventure in Wonderland. In the poem "Jabberwocky," it was customary for creatures from throughout the kingdom to gather annually to present a gala pageant. The first "Jabberwock" was presented in 1925 in Boston, Massachusetts, by members of Iota Chapter in an effort to find a new method of raising money for their scholarship fund.

Conceptualized many years ago as a musical variety show that consisted of skits and dances, the Jabberwock has since evolved into a more diverse program that continues to raise funds for scholarships and other Delta sponsored public service projects. Historically, "Jabberwock" funds were earmarked for scholarships to be given by the sponsoring chapter to youth of promise and ability and for public service projects. It now also represents an evening of sophistication and entertainment that showcases the young women and their accomplishments while advancing the goals and objectives of Delta's scholarship program.

The Jabberwock participants consist of girls in their senior year of high school. In preparation for the Jabberwock Presentation each participant is encouraged to take part in fundraising activities to compete for awards, the title of Miss Jabberwock and winning scholarships.
